

Locator – Creating description file (.dsc fil)

Creating description file (.dsc file) for Locator

When the title block has been filled in correctly, click on the button 'Skriv til DSC-fil' (Write to DSC file). This button is to be found in The Danish Road Directorates MicroStation environment.

A .dsc file is now created and a MicroStation window opens and asks where the dsc file should be saved.

Internals in the Danish Road Directorate shall save the dsc file under T:\Input\
Externals shall save the file in the same folder as the PDF drawing in ProjectWise.

DISCLAIMER

The translation into English of Quality Management Systems is to be regarded entirely as a service. In the event of any discrepancy or shortcomings in the translation, the Danish version will prevail. At any time the Danish versions of Quality Management Systems are those in force.
